Incident # 1

On January 29th 2011 Around 7:00 p.m. I was standing by a car wash on Harrison and Francisco talking to 2 friends. When we were approached by "MR Bouett" and 2 other unknown officers. When he and other officers began to conduct a search of us for no reason at all. After conducting a search and no drugs were found. "MR Bouett" then planted drugs on me and released the other two males. Basically because I had the most currency out of the 3. Automatically assuming that meant I sell drugs. By the grace of god those charges were dropped sometime in February. At which point I didn't file a

Complaint because I thought everything was done
and over with, and I could move forward with
my life.

Incident #2

On May 19th I was entering a grocery store
at [REDACTED] when I was approached by
"MR Bouch" pulling up in a gray Crown Victoria. When
he then stated ("You just made my day" I been looking
for you). I then continued to walk in the store. Then
"MR Bouch" ran in the store behind me and grabbed
me by the collar. Then placed handcuffs on me. After he
placed me under arrest he then reached in his very
own pockets and pulls out a plastic bag, which at that
point I assumed were drugs. Then he reached for
my pockets with the plastic bag already in his hand.
Acting as if he was pulling it out when he was
really putting it in. Basically planting more drugs
on me (Incident #2). Then I was ~~handed~~ taken
to jail for processing. All this took place with
in 90 days apart. Only because it took him that
long to run into me again. I have currently been
fighting these false accusations for 5 months. Due
to lack of communication it took this long to find the
proper information to contact you guys. I would
like to start this process as soon as possible.
Because I don't feel that my rights are being
respected. Also because of my criminal history

Being ExStensive. Even thought I am Innocent.
I Am Almost Being forced to plead guilty to
A crime I DIDN'T Commit. Because of the things
I DID IN the past. I would like something Done
About this A.S.A.P. Before Someone Else's Rights
Are broken. OR Life taken Away From this
unjustified person. Thank you for your time.

Thank you, ZENAS
